

TAXICARD

Fife Council's Taxi Concession Scheme allows you as a holder of a *myfife C1* card to travel by taxi at a discounted rate.

Where can I go?

You may travel to any destination you want, so long as the journey starts or finishes in Fife, but remember, the maximum discount per journey is £2.00.

When can I travel?

At any time, day or night, 365 days a year.

Can anyone else travel with me?

You can travel with a companion, friends or relatives at no extra charge. If you travel with another cardholder, only one person can use a voucher per journey.

How many vouchers will I receive?

You will receive a maximum of 2 books of 40 vouchers in anyone year. The vouchers, however, will be issued on a pro-rata basis which means if you come on to the scheme half way through the year you can expect to receive half the amount of vouchers in your first year.

Can I use any Taxi company?

No, you may only use taxi companies who are registered to participate in the Taxi Concession Scheme and who are listed in the enclosed booklet. The list is updated from time to time so if you require any additional information please contact the Taxicard office.

When do I use my vouchers?

- At the end of your journey the driver will switch off the meter and ask you for your *myfife CI* Card and your voucher booklet.
- The driver will complete the journey details on a voucher and give you the voucher back.
- You should check that the details on the completed voucher are correct and then sign it.
- You will then pay the driver the appropriate amount for the journey.
- If the vehicle you are travelling in does not have a meter then we suggest that you agree your fare with the driver before commencing your Journey.

What you will have to pay

For fares up to £4.00, you will pay half the metered fare and the Council will pay the balance.

For fares over £4.00, the Council will pay £2.00 and you will pay the balance. The cost of any "extras" such as surcharges for certain public holidays, weekends and night time trips, will be included in the total metered fare.

What you don't have to pay

Tips are optional but cannot be included as part of the taxicard payment. There are no telephone booking fees.

Cancellation

If you need to cancel a booking, please ring the Taxi Company straight away to tell them you cannot make the journey.

If you require additional information please contact
